Hailing from a small town in Vietnam, Hai Tran began his professional beauty career 15 years ago as a cutting and finishing apprentice in Wichita, Kansas. A true color, cut, style “Triple Threat”, Hai creates looks that span the spectrum commercial to editorial and lives for client transformations. Hai has been featured in *Modern Salon*, *Behind the Chair*, and on L’ANZA social media. This year he celebrates his first industry award nomination for the 2017 Behind the Chair #ONESHOT awards, in the Best Color Melt category. As a Healing Artist, Hai loves to share his deeply rooted passion with other stylists. “I never feel like I’m ‘teaching’, says Hai. “I’m just sharing my passion, my knowledge, and my creativity in a fun and inspirational environment.”
