SHORTCUTS TO SUCCESSFUL HAIRCUTTING

Learn key factors when creating short woman's or men's haircuts - it's not always what you cut off; sometimes it's about what you leave on that transforms a cut into a work of art. Save time during your haircuts learning this systematic, yet personal approach to haircutting. Take the time now to take time off your services later.

OUTCOME: See a variety of haircutting techniques that suit various lengths and densities. Techniques taught will be personalized to the needs of the class, salon, or distributor.

HIGHLY RECOMMENDED FOR: Stylists who want to learn a systematic approach to cutting that saves time while still allowing for personalization.
