

# ITALIAN FACE FRAMING TECHNIQUE

## 2 HOUR PROGRAM

**Description:** A modern Italian take on a classic partial color application framing the face. The end result focuses on high impact with minimal work, while allowing max customization for the stylist and client.

### Experience the basics and ease of use.

Learn how to utilize all of Alfaparf Milano's Color line Evolution of the Color and a overview of Colorwear, BB Bleach, and Pigments.

This class focuses on the salon's needs.

Class instructed by local Alfaparf Milano Master Artisans
