

COLOR/NEXT LEVEL

## BALAYAGE BASICS

Balayage is more mainstream than ever and is a great way to do beautiful hair color with a personalized look. Great hand-painted color appears as if it just magically happened, yet purposeful application and placement have everything to do with this wearable style. Learn how to properly section and apply using techniques and tools to create the most radiant color for your clients. In this course, we begin with the basics and work towards mastering this technique.
