

Essential Cutting & Color Trends

Sculpting a couture look for every salon guest comes from the haircut. Learn core techniques to help you confidently create or recreate any haircut, on a variety of hair textures and face shapes. Leave this class understanding the principles in building a solid design to be able to create "The Cut". Once the haircut is complete, what color technique should you use? What is on Trend? What will look best for this face shape? From balayage and ombré to a complete rainbow connection of dimensional color, master formulation and application techniques that will allow you to attain the season's most popular hues. Examine the importance of your color consultation. How a client's eye color, skin tone, and lifestyle can play an important role in how to translate any trend and, complete the couture look for your guest.
